Full version of this game available to download for free and without registration.. It also won't cost a penny Gone is the ecstasy-driven, glittering Miami of the 80s and 90s; the Miami of Midnight Animal is a corporate one through and through, ravaged by two decades of nuclear attacks, civil war and violent crime.. Please note that the links will be available shortly after the game's release.. The entire five-part series is free to download and comes in a single app that launches from your Steam.. It's a city in decay, split violently by postmodernity, wealth disparity and incredible social upheaval – in the underbelly, ecstasy raves and cocaine dreams have given way to methamphetamine psychosis and withdrawal nightmares, while glittering monolithic skyscrapers tower above all the filth and grime, testament to an unparalleled greed which has reduced every human life and motivation to pieces on a vast corporate whiteboard to be merged, acquired, and liquidated at the whim of shareholders' profits.
